CIVIL PENALTY FINAL ORDER

This Civil Penalty Final Order ("Order"), dated this 7th day of February 2023, is issued by the Maryland State Board of Veterinary Medical Examiners ("Board" or "SBVME") against Bradford Gividen, DVM ("Dr. Gividen"), License No. 4661, the responsible veterinarian at Rolling Hills Animal Hospital, Inc. ("Hospital"), License No. 06-049, located at 2027 Suffolk Rd. Suite 7 Finksburg, MD 21048.

This Order confirms Dr. Gividen's agreement to resolve Docket No. 23-49 without the issuance of formal charges. By email to Board counsel on February 4, 2023, Dr. Gividen accepted the terms and conditions of this Order, including the findings that he violated the Maryland Veterinary Practice Act, Md. Code Ann., Agric. §§ 2-301 - 2-316 ("Veterinary Practice Act") and related Code of Maryland Regulations ("COMAR") 15.14.01 – 15.14.17 as set forth herein. Before agreeing to this Order, Dr. Gividen was advised in writing regarding his due process rights, including the right to receive formal notice of charges, request a hearing, retain legal counsel, and all other rights under Section 2-311 of the Veterinary Practice Act.

Under State law, the Board is the licensing body responsible for regulating the practice of veterinary medicine in this State. Its authority includes filing disciplinary actions against veterinarians charged with violating provisions of the Veterinary Practice Act and related COMAR regulations. As part of its authority, the Board "may refuse, suspend, or revoke any application or license, and censure or place on probation any licensee . . . if the veterinarian or veterinary practitioner . . . [f]ails to comply with Board rules and regulations after receiving a license [.]" Md. Code Ann., Agric. § 2-310(8). In addition, the Board may impose a civil penalty of not more than

\$5,000 for a first offense or \$10,000 for a second or subsequent offense in lieu of or in addition to suspending or revoking a veterinarian's license, respectively. Agric. § 2-310.1. In setting the amount of a civil penalty, the Board shall consider the severity of these violations, the good faith of the violator, and the history of prior violations, as well as the Board's civil penalty standards. Md. Code Ann., State Gov't Art., § 10-1001(b); COMAR 15.14.11 (Civil Penalty Standards for Veterinarians).

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Dr. Gividen, after having the opportunity to seek the advice of legal counsel, voluntarily waived his right to formal charges and a hearing and agreed to pay the civil penalty of \$300. In so doing, Dr. Gividen acknowledged that the Board has sufficient evidence to find, as fact, and conclude as a matter of law that he violated COMAR 15.14.01.12-3C (Expired Medications) as follows:

1. Dr. Gividen is a veterinarian licensed to practice in Maryland since 1996. Dr. Gividen is the veterinarian at the Hospital and has no public disciplinary history with the Board involving expired medications.
2. On October 6, 2022, during a routine annual inspection, Board Inspector Ellen James ("Inspector James") found seventeen expired medications, the oldest of which was a bottle of Neo-pre def which expired in March of 2022.
3. The inspection occurred late in the day when the Hospital was closing, and Dr. Gividen was not in the building. Inspector James returned to the Hospital on November 14, 2022, for a follow-up inspection and issued a Hospital Inspection Report and COMAR Violation Notice reflecting the expired medications found.
4. COMAR 15.14.01.12-3A prohibits veterinarians from administering expired medications to an animal, and COMAR 15.14.01.12-3C requires that expired medications be packaged and kept separate and apart from unexpired medications until disposal of such medications to prevent such administration. Dr. Gividen violated COMAR 15.14.01.12-3C by allowing expired medications to be stored with non-expired medications in the working stock of the Hospital.

Taking all the facts and circumstances into consideration, including the nature of the violation, the veterinarian's lack of prior discipline for expired medications, and the veterinarian's good faith effort to resolve

this matter promptly, the Board concluded that the most reasonable and appropriate resolution in this matter was a civil penalty only.
